A group music-making class for any student who loves to sing and any child who is taking group or private piano or string lessons. While children will not be learning how to play their instruments in AOE, they will be using them at their own level skill level beginning in week 4. If your child loves to make music in a group, this class is the one for him or her! Activities based on Music Learning Theory by Dr. Edwin Gordon ([giml.org](http://giml.org)). Instruments welcome! \*\*

\*\* (Students enrolled in Ready, Set, Sing! or Kids' Choir may attend AOE for half price.)
